

The PLAY Project's Autism Intervention Intensive Workshop Online

June 8th to June 29th, 2022 | \$395 USD*

Limited slots for parents at \$95 USD

Two Live Sessions with Dr. Rick Solomon, MD, Founder of The PLAY Project! *Group rates available!

“The best play-based parent training program in the country for young children with autism. Evidence based, compassionate and beneficial for parents and participants.”

Stuart Brown MD, National Institute for Play

Who will benefit: Early intervention and/or child development professionals --SLP, OT, PT, M.Ed, MSW--, behavioral health providers, parents of children with autism, administrators and policy makers involved with autism services. **CEUs available for SLPs and OT (US only)**

Learn to playfully engage children with autism in an evidence based course that is fun and practical. This course has over 10 hours of content to be completed at any time **over a three week span** and has two live sessions to answer your questions in person.
