## Fundraiser for Feed the Need Autism and Special Needs Activity Center

### Who Will Benefit?

**Professionals** - Advance your ability to help children with autism

**Parents** - Connect with your child in a fun way to help them reach their full potential

**Administrators** - Positively impact your system of care

*"The best play-based parent training program in the country for young children with autism. Evidence based, compassionate and beneficial for parents and participants."*  
*Stuart Brown MD, National Institute for Play*

Learn to playfully engage children with autism in an evidence based course that is fun and practical. This course has over 10 hours of content to be completed at any time **over a three week span** and has two live sessions to answer your questions in person.
