

The PLAY Project's Autism Intervention Intensive Workshop Online for Professionals and Parents

September 21st to October 12th, 2022 | \$395

FREE FOR FAMILIES! | LIMITED SPACE AVAILABLE

Two Live Sessions with Dr. Rick Solomon, MD, Founder of The PLAY Project!

"The best play-based parent training program in the country for young children with autism. Evidence based, compassionate and beneficial for parents and participants."

Stuart Brown MD, National Institute for Play

Who Will Benefit?

Professionals - Advance your ability to help children with autism

Parents - Connect with your child in a fun way to help them reach their full potential

Administrators - Positively impact your system of care

Learn to playfully engage children with autism in an evidence based course that is fun and practical. This course has over 10 hours of content to be completed at any time **over a three week span** and has two live sessions to answer your questions in person.

*"This program gives the family such power and fulfillment. It gives them the opportunity to **form relationships** with their children they may not have had without this program." - Victoria G.*

Register Now: IWO-Sept2022

CEUs Available (ASHA and AOTA)
