\$195 USD FOR PARENTS

Presented by Dr. Rick, founder of The PLAY Project - LIVE

"The best play-based parent training program in the country for young children with autism. Evidence based, compassionate and beneficial for parents and participants."

Stuart Brown MD, National Institute for Play

Professionals - Advance your ability to help children with autism

Parents - Connect with your child in a fun way, help them reach their full potential

Administrators - Positively impact your system of care

This workshop can serve as the first step in pursuing the Certified PLAY Project Consultant Credential

The workshop consists of case study video analyses of parent and child interaction that develop your skills in play-based, developmental and behavioral techniques for engaging children with autism and other developmental delays.
