

THE PLAY PROJECT TRAINING & EDUCATIONAL OPTIONS

FREE INFORMATIONAL VIDEO

WHICH PLAY TRAINING IS RIGHT FOR ME? ? ?

Learn about our autism intervention program and the training options we have for professionals and parents.

HELP CHILDREN WITH AUTISM REACH THEIR FULL POTENTIAL

Discover how PLAY methods and principles can change your home or your clinical practice.

LEARN ABOUT OUR RESEARCH

Hear more about our evidence that supports the PLAY Project's training model.

RECOMMENDED FOR:

Early childhood professionals, including therapists, educators, paraprofessionals, administrators, as well as parents and caregivers of children with ASD.

LIVE SESSION FOR Q&A

Join us on October 17th, 12pm-1pm EST, for a Zoom session with PLAY Project founder and medical director Dr. Rick Solomon. Ask any questions you might have about PLAY Training options and how The PLAY Project model might work for you or your organization.
